**Student Health Insurance Plan Rates**

All students are charged for health insurance because it is mandatory at CU Boulder if you are a graduate student enrolled in 1 or more credit hours. If you have your own health insurance, you need to select the Campus Care Plan or waive university-sponsored health insurance in [mycuinfo.colorado.edu](http://mycuinfo.colorado.edu) by September 3 for fall. If you waive it for fall, you do not have to waive it for spring. If spring is your first term, waive insurance by January 21.

**Student Gold Insurance Plan** $1,695

Wardenburg Campus Care Plan $175
Most of the different statuses are assigned automatically based on the student’s registration. The only exception is “D” status, which is assigned by the Graduate School. Students must have passed their comprehensive exam, and have been admitted to candidacy before this status can be changed. The status is changed for an upcoming semester.
