How to use Flywire for international payments for tuition and fees

Important information for parents, spouses, and others paying tuition on behalf of students (excluding 3rd party sponsorships):

Due to United States privacy laws (FERPA), parents, spouses and others must be authorized as payers by the student (domestic and international) in order to view and pay the tuition and fee bill. This means that your student must give you access to CUBill&Pay before you can complete this process.

Instructions for students: How to authorize payers

If you have questions, contact us at bursar@colorado.edu or 303-492-5381.
Step 1: Students log in to MyCUInfo. Authorized payers log in to CUBill&Pay, select Make Payment, and then proceed to step 3.
Step 2: Select the **Billing Information** tab and select **Make Payment**.
Step 3: Select **Pay** next to **Boulder Tuition and Fees** if you (or your student) are enrolled in Boulder Main Campus classes. Select **Pay** next to **UCBCE Tuition and Fees** if you are enrolled in Continuing Education Classes.
