International Students – How to pay tuition and fees using peerTransfer

Select Billing Information tab

Select Make Payment
Click Pay under Boulder Tuition and Fees.

Current balance is the amount of tuition and fees due by the due date. The statement balance might be different because of recent account activity, such as changing classes, waiving health insurance, or another adjustment that affects the bill. For a description of balances, see quick guide to account balances.
Your current balance is pre-filled here. You can edit this amount. You cannot pay more than your current balance.

International Wire Transfer

The University of Colorado has partnered with peerTransfer to streamline the tuition payment process for international students. PeerTransfer allows you to pay from any country and any bank. They offer excellent foreign exchange rates, allowing you to pay in your home currency (in most cases) and save a significant amount of money, compared to traditional banks. You will be able to track the progress of your payment throughout the transfer process via a student dashboard in peerTransfer and you will also be notified via email when we have received your payment.
