COLLEGE OPPORTUNITY FUND (COF) \$75 per credit hour/semester

The College Opportunity Fund (COF), created by the Colorado legislature, provides a stipend to eligible undergraduates paying in-state tuition. The stipend pays a portion of total in-state tuition for eligible undergraduate students who attend a Colorado public institution or a participating private institution. The stipend is paid to the institution on a per-credit-hour basis, and the credit-hour amount is set annually by the General Assembly. Students must complete the COF application on the official state College Opportunity Fund website and authorize use of funds to receive COF. Students who do not complete both of these steps will be responsible for paying the total in-state tuition.

Tuition charged is based on residency, degree and number of credit hours. Dual degrees are charged the higher rate. These rates apply to Boulder Main Campus only. The Board of Regents reserves the right to change tuition and fee rates at any time. Rates may be subject to change.

¹ A & S-Arts & Sciences; ENVD-Environmental Design; EDUC-Education; CMCI-College of Media, Communication and Information

² Total tuition continues to increase at the same increment for each hour over 18.
